ABOUT OUR RETREAT AT THE RANCH

Jane Green is the author of 21 novels, including 18 New York Times bestsellers. She has over ten million books in print, is published in over 25 languages, and has several books in development for film and TV. She is a graduate of the International Culinary Institute in New York and an avid cook, amateur decorator, and passionate gardener.

Her forthcoming book, *Sister Stardust*, is Jane's first foray into biographical fiction and reimagines the life of troubled icon Talitha Getty. The novel, a transporting story from a forgotten chapter of the Swinging 60's in Marrakech, Morocco, is a Parade Magazine "Most Anticipated Book of the Year."

Kate Quinn is a New York Times and USA Today bestselling author of historical fiction, including 4 novels in the Empress of Rome Saga, 2 books in the Italian Renaissance, and the 20th century novels *The Alice Network*, *The Huntress*, and *The Rose Code*.

In her new historical novel, *The Diamond Eye*, Kate returns with an unforgettable World War II tale of a quiet bookworm who becomes history's deadliest female sniper. Based on a true story, *The Diamond Eye* is a haunting novel of heroism born of desperation, of a mother who became a soldier, and of a woman who found her place in the world and changed the course of history forever.

Rancho La Puerta is a Wellness Resort and Spa located at the base of Mt. Kuchumaa in Baja California. The Ranch's 4,000 acres include 40 miles of hiking trails, 32 acres of beautifully landscaped gardens, and an organic farm with a cooking school. They have eleven gyms, four pools, a running track, as well as tennis, Pickleball, basketball and volleyball courts. There are three full-service holistic spas. Guests stay in 86 individual casitas peppered throughout the resort. As you walk winding brick paths, you'll happen upon a wine bar, juice bar or art studio. There are countless indoor and outdoor gathering spaces, as well as WiFi lounges for dedicated screen time. As you wander further, you'll discover a labyrinth, reflexology path and three dozen hammocks slung between the oaks. The Ranch is more than a resort; it's a retreat. It's not only exercise; it's a lifestyle. It's fellowship that leads to friendship.
